Reza Chandelier By Troy Lighting

Description

The familiar silhouette of a drum shade is magnified and multiplied in the Reza Chandelier. Made from wrapped jute string, with an added layer of knotting that creates all-over texture, the cascading shades feature a rich materiality and authentic handicraft that is carried through to the three string suspension cords. The antiqued finish of the metalwork blends neatly with the earthy palette. NOTE: Due to the one-of-a-kind nature of the medium, exact colors and patterns may vary slightly from the image shown.
