Rian Floor Lamp By Troy Lighting

Description

Repetitive geometric shapes drawn from mid-century motifs create an eye-catching totemic stack in the Rian Floor Lamp. Each natural wicker bowl is individually lit, allowing a soft diffusion of light through the textural weave. With an impressive height of 55 inches, this 3-light floor lamp makes for a striking sculptural addition to any room. On/off stomp switch on cord. NOTE: Due to the one-of-a-kind nature of the medium, exact colors and patterns may vary slightly from the image shown.

Shown in patina brass / natural wicker
