Thane Floor Lamp By Troy Lighting

Description

A new archetype in the floor lamp category, the Thane Floor Lamp features a friendly scale suitable for placement in many rooms. This 'community lamp' features an elongated shade made from natural linen and a low profile, tapered ceramic base finished in a grey glaze. An organic raked pattern reminiscent of the sand lines in a Japanese zen garden has been etched into the surface. On/off stomp switch on cord. NOTE: Due to the one-of-a-kind nature of the medium, exact colors and patterns may vary slightly from the image shown.

Shown in grey / natural linen
