Cyrah Table Lamp

By Troy Lighting

Description

The totemic composition of the Cyrah Table Lamp marries geometry and a stone-like finish to create a striking stack of shapes. Adding a matte surface texture and muted hue, the glaze gives Cyrah an ancient, earthy look. Tapping into the trend of dusty, non-glossy ceramics, this lamp makes an artful statement on a side table or bedside. On/off switch on socket. NOTE: Due to the one-of-a-kind nature of the medium, exact colors and patterns may vary slightly from the image shown.

Shown in gray / white linen

Specifications
