Terron Table Lamp

By Troy Lighting

Description

Handmade in India yet inspired by modern Japanese pottery, the Terron Table Lamp is a multicultural vision of artisanal beauty. This family features two distinct lamp shapes that complement each other in both material and form and pair well in a room. Earthy yet luxurious, the glass has a high luster and tonal variation. A simple white linen shade ensures that Terron's base remains the focal point. On/off switch on socket.NOTE: Due to the one-of-a-kind nature of the medium, exact colors and patterns may vary slightly from the image shown.

Shown in patina brass / white linen
