## Plinth Bridge Coffee Table - Discontinued Floor Model

By Audo Copenhagen

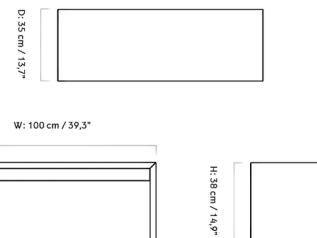

### Description

The Plinth Bridge Coffee Table is equal parts elegant and purposeful with a simple shape that highlights the natural beauty of the marble construction. The open space between the table's legs creates a feeling of lightness in contrast with the marble slab construction. Pair the Plinth Bridge Coffee Table with Menu's low Plinth Coffee Table to form a tiered arrangement of varying tabletop heights. NOTE: This is a discontinued model and limited to quantity on hand.
