Carrie Portable Lamp Oak Edition - Discontinued Floor Model

By Audo Copenhagen

Description

The Carrie Portable Lamp Exclusive Oak Edition is designed to honor Hygge, a way of life in Denmark where the winters are long and cold. This piece can be used in a variety of settings, as well as an alternative to candle light. With a sleek, functional handle and a warm orb of light nestled gently in a basket-like base, the lamp is useful almost anywhere - even on the go. A button on the base allows you to cycle through the three light intensities. Includes a detachable handle, USB to micro-USB charging cable and power outlet adapter. Lamp shade is removable. NOTE: This is a discontinued model and limited to quantity on hand.
