Zana Table Lamp

By Palecek

Description

The Zana Table Lamp brings a natural beauty to your interior space. The hand carved alabaster body is topped by an Alabaster dome shaped shade that casts warm shadows down, across your area. Alabaster is sourced from a rare mineral created from a metamorphic rock formation process. The white smoke color is natural and will slightly vary, no two pieces will be alike. Dimmer switch is located on the cord.

Shown in alabaster / alabaster
