Radiohus Sofa

By Audo Copenhagen

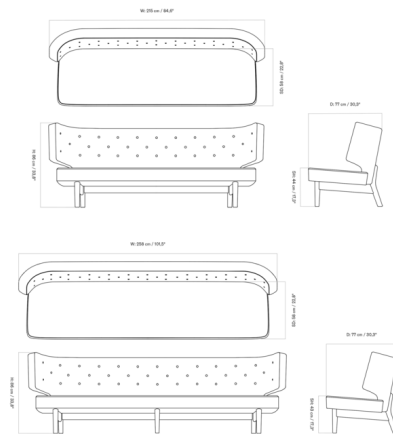

Description

The Radiohus Sofa was originally designed in 1936 for the Danish Broadcasting Corporation's Radiohuset building by architect and designer Vilhelm Lauritzen. The sofa is elegant and refined but also practical, embodying the hallmarks of Danish functionalism. Tufted upholstery on the backrest, available with or without decorative leather buttons, adds a luxurious accent to the Radiohus Sofa.

Shown in natural oak / hallingdal 65 200
