Phase 03 Chandelier

By Anony

Description

Inspired by the exquisite balancing act found in hanging kinetic mobiles, the Phase 03 Chandelier is an elegant masterpiece of light and form. Each tiered component is hand finished and weighted precisely before being attached to the arm. The adjustable frame achieves a fixed equilibrium with weight and steel piping to create unique configurations. Note: Overall height options are from the ceiling to the bottom of the fixture. Height is fixed and NOT field adjustable. Available with Standard Canopy for flat ceilings or Slanted Ceiling canopy for sloped ceilings.

Shown in brushed antique brass
