Node Pendant

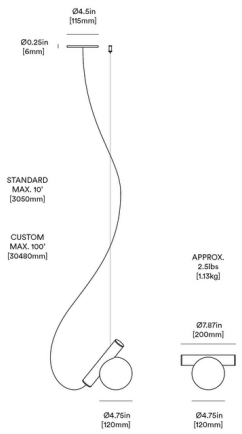

By Anony

Description

With a playful sense of imbalance, the delicate Node Pedant features simple materials in a striking design. A frosted glass sphere melds with a steel cylinder, attached at the source of light. The angle of the pendant can be adjusted at install, allowing for personalized shapes. ELV dimmable driver and low voltage JC G4 LED bulbs included. Finish refers to the finish of the ceiling canopy; color refers to the color of the cylinder on the pendant.
