By Bruck

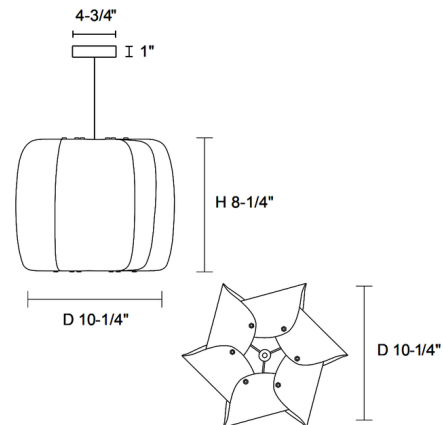

Description

The Alba Pendant fuses organic materials with a modern silhouette. A two sided wood veneer section is fused with a malleable center panel for strength and flexibility. Bruck's WEP (Wood Ecological Project) collection specializes in sustainable, natural wood luminaires. Every made to order fixture's unique character is nothing short of art. WEPlight solutions help cultivate a serene environment in any space. Designed, handcrafted, and painted by master artisans with reconstructed real wood veneer from Spain and assembled in the USA.
