Phobos Rechargeable Table Lamp

By Visual Comfort Modern

Description

The Phobos Rechargeable Table Lamp brings a sleek, minimalism to your space. The slim, streamlined silhouette features texture-cast glass accented by clean metal details and has an integrated warm LED light that casts a soft shine. Plug the provided USB cord/plug into a suitable USB charging port to fully charge the fixture, prior to initial use. Use the indicator light located next to the USB-C port on the lamp as a guide. 12-14 hours of battery life, allowing use for extended periods without worrying about running out of power. Five hours of charging time. Use the touch-sensitive switch to turn the lamp on/off and to change the brightness settings. Solid red requires charging, green flashing is currently charging, and solid green is fully charged.
