Linea Wall Sconce By Visual Comfort Modern

Description

The Linea Wall Sconce brings a simplistic elegance to your interior space. A thin metal channel hugs a solid Alabaster shade with integrated LED lights, resulting in a stunning glow of light across your room. Dimmable with Triac (Standard), Low Voltage Electronic, or 0-10V dimmers, not included. Alabaster is a natural stone, variations in color and texture are expected. Made of natural brass. It is a living finish that will patina and warm with age which adds richness. If it gets an uneven patina or spots, a brass cleaner can restore the finish. Note: Fixture does not cover a standard US junction box and requires a 2 x 4 inch junction box.
