Louver Rechargeable Table Lamp By Visual Comfort Modern

Description

The Louver Rechargeable Table Lamp brings an elegant sophistication to your space. The metal cylinder holds a low dome shade casting warm light across your area. This piece can be enjoyed with or without the shade. Plug the provided USB cord/plug into a suitable USB charging port to fully charge the fixture, prior to initial use. Use the indicator light located next to the USB-C port on the lamp as a guide. 12-14 hours of battery life, allowing use for extended periods without worrying about running out of power. Five hours of charging time. Designed with an integrated 3 step touch dimmer on the base, solid red requires charging, green flashing is currently charging, and solid green is fully charged.
