Offset L High Comfort Ceiling Light

By Vibia

Description

The Offset L High Comfort Ceiling Light features a slim, minimalist silhouette with a high comfort diffuser to produce pleasant illumination while reducing glare. While Offset's simple shape is perfect as an unobtrusive fixture in any space, it is particularly striking when used in a grouping of multiple fixtures on the ceiling. Includes square backplate to cover US junction box (not pictured), as well as a mud-in kit for trimless installation in drywall.

Shown in warm white
