Rhythm Wood Vertical Pendant By Vibia

Description

The Rhythm Wood Vertical Pendant brings both rational and disruptive vibes to your interior space. Wooden slats fitted with integrated LED strips rotate independently around a central stem, allowing for a variety of dynamic looks from a neat, flat rectangle to a subtly undulating wave to a chaotic spiral. The 20.5 in. size directs light downward, while the 32 in. size primarily aims light downward with some slats directed upward for indirect lighting.
