Class Outdoor Bollard By Vibia

Description

The Class Outdoor Bollard features a cylindrical, ridged glass diffuser that evokes the soaring lines of early 20th century Art Deco designs. The cylinder houses an integrated LED strip to produce warm, pleasant lighting, and it is supported by a sleek aluminum stem. Rather than merely blending into the environment, Class will stand out as a decorative element. Includes TRIAC dimmable remote driver which can be installed up to 30 feet from the fixture (cable not included).
