Class Outdoor Wall Light

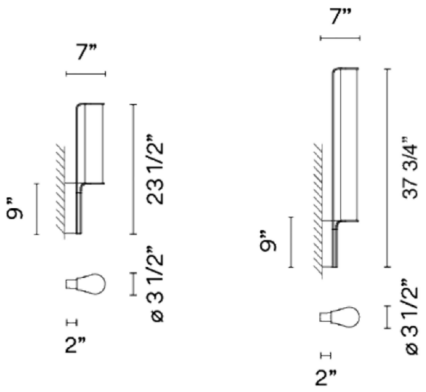

By Vibia

Description

The Class Outdoor Wall Light features a cylindrical, ridged glass diffuser that evokes the soaring lines of early 20th century Art Deco designs. The cylinder houses an integrated LED strip to produce warm, pleasant lighting, and it is supported by a sleek aluminum frame. Rather than merely blending into the environment, Class will stand out as a decorative element. Includes mounting plate to cover standard 4 inch junction box. TRIAC dimmable.

Shown in black / clear
