Bigger Pendant

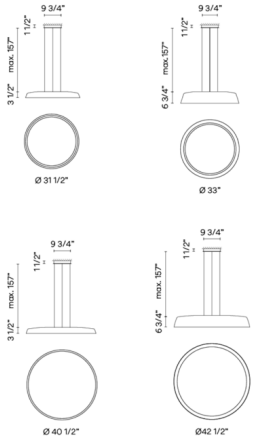

By Vibia

Description

The Bigger Pendant provides statement lighting without visually dominating the space it occupies. The fixture's sleek frame gives it a modern, minimalist look while bathing the space in warm, diffused light from its large LED panel. The slim shade of the 31.5 and 40.5 inch sizes is best suited for widespread, ambient lighting, while the deeper shade of the 33 and 42.5 inch sizes provides a more directed light beam. Includes round canopy in black finish.
