Plusminus Solo Accent Spotlight

By Vibia

Description

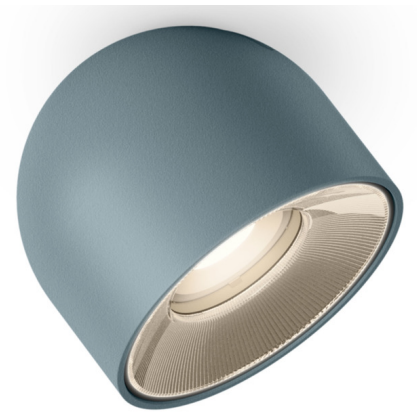

The Plusminus Solo Accent Spotlight is a functional and stylish fixture that can deliver focused accent lighting from the ceiling or wall. The bell-shaped fixture rotates 360 degrees and can be tilted 70 degrees to aim the light beam precisely where it is needed. Plusminus Solo is available in a variety of elegant finishes, elevating it from a utilitarian spotlight to a decorative element. Note: This fixture includes a recessed housing and remote power driver, and it does not mount to a standard 4 inch junction box. Installation requires 2 inches / 50mm of clearance behind drywall for the housing. Minimum drywall thickness: 3/16 inch (5mm). Maximum drywall thickness: 31/32 inch (25mm). See Assembly Instructions for more information.
