Hug Flush Ceiling Fan with Color-Select Light By WAC Lighting

Description

The Hug Flush Ceiling Fan combines a modern look with traditional pull chains for exceptional cooling performance. Its handsome style enhances various styles, making it perfect for bedrooms, living rooms and other spaces throughout the home. Features a color-select switch allowing user to select between 2700K, 3000K, 4000K and 5000K color temperature options. Dimming with an electronic low voltage (ELV) dimmer. Pull chain 1 controls the fan speed and Pull chain 2 turns the light on/off. Includes a reverse switch on surface of housing.
