Smooth Flush Smart Ceiling Fan with Color-Select Light

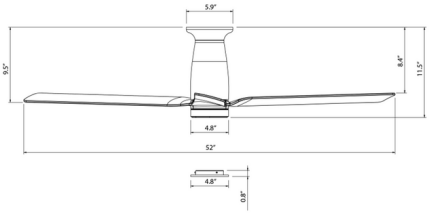

By Modern Forms

Description

The Smooth Flush Smart Ceiling Fan combines minimalist design with modern functionality. Its trio of ABS blades feature a gracefully curved detail where they connect to the housing, creating a seamless sweep. An integrated color-select LED light at the fan's center emits a warm glow through an opal polycarbonate lens.The Smooth features a color-select switch which allows user to select between 2700K, 3000K, 4000K and 5000K color temperature options. Sync the Smooth with the exclusive Modern Forms app to control fan speed, and use smart features like adaptive learning, create groups, and more. Modern Forms Fans pair with the smart home tech including Google Assistant, Amazon Alexa, Samsung Smart Things, Control 4, and Josh.ai. Fan includes a cap for non-light use, and Bluetooth F-RCBT remote control to control fan speed and light brightness, and switch between summer and winter mode. Optional wall switches available for 3 or 4 way setup, sold separately.

Shown in soft brass / matte black / opal
