Z-Bar Pro 20th Anniversary Gen 4 Desk Lamp

By Koncept Lighting

Description

The Z-Bar Pro 20th Anniversary Gen 4 Desk Lamp is defined by its sleek, minimalist silhouette, a perfect addition to a contemporary office or other work area. Its iconic, highly flexible three-bar design is improved in Gen 4, with hidden joints for a cleaner profile and greater articulation. Each arm segment has a wide range of motion, and the head rotates 360 degrees and spins 360 degrees for further finetuning of light direction. The lamp can also collapse into a stick when not in use. This version of the lamp is available in a limited edition Brushed Aluminum finish to commemorate the Z-Bar's 20th Anniversary. Originally launched in 2004, the Z-Bar has achieved global success as Koncept's flagship product. The LED module and improved optics provide bright lighting with minimal harsh shadows. Touch controls on the lamp head are used to turn the light on/off, adjust brightness level (continuous dimming), and adjust color temperature (tunable 2700K-5000K). Phones and other devices can be charged using the 1.5A USB-C port near the base. An occupancy sensor shuts the lamp off after 15 minutes of inactivity. Additional eco-friendly features are low power consumption, fully recyclable aluminum construction, and use of water-based paint.

Specifications

COLOR N/A
BODY FINISH Brushed Aluminum
WATTAGE 10.1W
DIMMER Included
DIMENSIONS 33.6"W x 16.05"H x 8.8"D
