Z-Bar Titan Floor Lamp By Koncept Lighting

Description

The sleek, minimalist Z-Bar Titan Floor Lamp is the perfect addition to a contemporary office, workspace, or reading area. Its iconic, highly flexible three-bar design is perfect for providing light precisely where it is needed. The lamp head can be rotated 360 degrees to create either downward or upward light, the horizontal arm can be raised or lowered, and the vertical stem can be rotated 360 degrees on the base. The elongated lamp head will provide even lighting along the length of a desk or table, and it is equipped with a plastic diffuser to minimize glare from the integrated LED light source. A rotary dimmer switch on the stem allows the brightness to be adjusted to the perfect level.
