Beam Wall Shelf

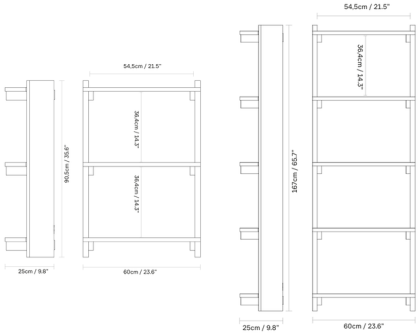

By Form & Refine

Description

The Beam Wall Shelf is a durable and practical wooden wall shelf with a good depth for easy storage or display. The striking H-shaped end frames, which show off the beautiful grain of the pinewood, are joined to smoothly embrace the solid top. Made from locally sourced Bosnian pine, a warm raw material and a great alternative to traditional slow-growing wood, this attractive wooden shelf is a sustainable choice. The shelf is finished with ultra-matt lacquer for extra protection.
