Beam Wall Shelf with Desk

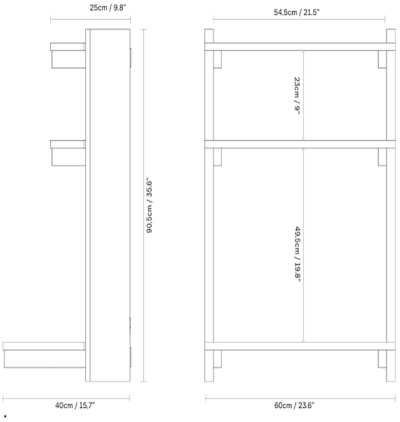

By Form & Refine

Description

The Beam Wall Shelf with Desk is a durable and practical wooden wall shelf with a good depth for easy storage or display. The lowest shelf can be used as a small desk in your home office when space is tight. The striking detail of the H-shaped end frames, which show off the beautiful grain of the pinewood, are joined to a solid top that smoothly embrace them. The shelf is finished with ultra-matt lacquer for extra protection.
