## Description

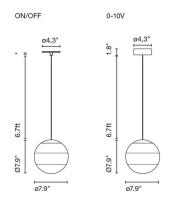

The Dipping Light Pendant seeks to excite. Each lamp illuminates with different shades of light depending on the paint color, creating a wide range of ambient lights that can match any decor. When it's turned on, its different shades of paint sift the light, creating a magical ambient effect. When it's off, its colored glass sphere is an object charged with beauty and eye-catching design. A polycarbonate cover at the top rounds out the spherical shape. Available in 120V (not dimmable-on/off only) and 120-277V (dimmable with a 0-10V dimmer).
