Melt Portable Floor / Hanging Lamp

By Tom Dixon

Description

The Melt Portable Floor / Hanging Lamp is both stylish and versatile, making it a useful addition to any space. The irregularly shaped polycarbonate shade recalls the look of molten glass and is available in translucent Opal or a variety of reflective metallic colors. A tripod base provides support when used as a floor or table lamp, and a hanging strap is also included to use the lamp as a pendant. The lamp's built-in LED light source is powered by a rechargeable battery, allowing Melt to be placed wherever it is needed to create the perfect atmosphere. Dimmer button located on base. IP44 rated.
