Pli Linear Pendant

By Foscarini

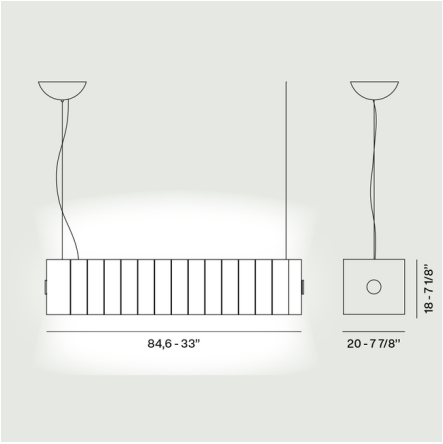

CE

Description

The Pli Linear Pendant features an elegant folded paper shade recalling the look of draped or ruffled fabric. The paper is formed around a tubular frame which houses the LED light source, which directs light both upwards and downwards, as well as through the paper to produce a translucent glow. Pli is the first lamp designed by Felicia Arvid, whose background in fashion design inspired the pendant's flowing, fabric-like texture. Phase cut or 0-10V dimmable.

Shown in white

Specifications

COLOR	N/A
BODY FINISH	White
WATTAGE	40W
DIMMER	Low Voltage Electronic
DIMENSIONS	33"L x 7.88"W x 7.13"H
