Slick Outdoor Linear 24VDC Light System - Overstock

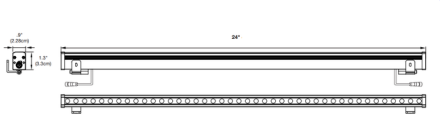

By PureEdge Lighting

Description

The rugged design of the Slick Linear Static White and Static Colors lighting system is ready for the harsh environments of mother nature. Designed for wall, floor or ceiling mount applications, making it ideal for any outdoor or commercial environment. Offered in a powder coat finish. Power the Slick with the PureEdge wet rated universal power supply (dimmable with ELV, 0-10, TRIAC), sold separately. Fixture supplied with integral DMX driver. Multiple fixtures can be ganged together up to 100 watts before re-feeding. Note: Required power supply and optional accessories sold separately.
