Pavot Centerpiece

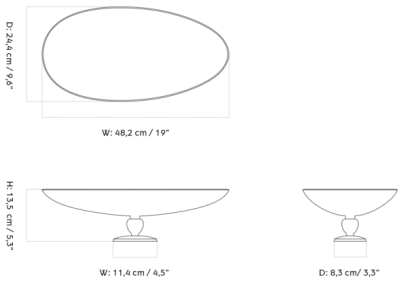

By Audo Copenhagen

Description

The Pavot Centerpiece blends modern minimalism with traditional elegance for a versatile piece that will complement a variety of interior decor styles. The oval bowl is supported by a footed base which evokes the shape of a poppy flower's head for a subtle decorative touch. Pavot can be used as a decorative focal point in the center of a table or as a catch-all for everyday objects on an entryway table. Not approved for use with food.
