## Tearoom Club Chair with Loose Cover By Audo Copenhagen

## Description

The Tearoom Club Chair with Loose Cover features a timeless silhouette that is inviting without being overly casual. Inspired by the curved frame of Charles Rennie Mackintosh's 1904 Willow Chair, this piece features a gently curving back and sides over plywood and foam construction, ensuring it is as comfortable as it is stylish. The loose fabric slipcover can be easily removed for cleaning. The Tearoom Club Chair would make a striking addition to both period and contemporary hotels, lounges, or even private residences.
