## Tearoom Swivel Club Chair with Loose Cover By Audo Copenhagen

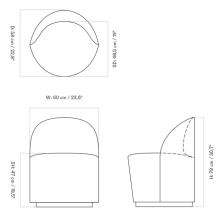

## Description

The Tearoom Swivel Club Chair with Loose Cover features a timeless silhouette that is inviting without being overly casual. Inspired by the curved frame of Charles Rennie Mackintosh's 1904 Willow Chair, this piece features a gently curving back and sides over plywood and foam construction, ensuring it is as comfortable as it is stylish. The upholstered seat sits atop a return swivel base that rotates 190 degrees, and the loose cover can be easily removed for cleaning. The Tearoom Club Chair would make a striking addition to both period and contemporary hotels, lounges, or even private residences.
