Fanalet S/49 Outdoor Pendant

By Bover

Description

The Fanalet S/49 Outdoor Pendant offers a blend of functionality and aesthetics that will complement a wide variety of spaces. Fanalet's wide, tapered shade is inspired by outdoor lanterns commonly seen in industrial environments. The fixture houses two light sources: a direct downlight and an indirect light source which shines upward into the shade and reflects outward. Each light source can be turned on/off and dimmed independently, allowing for a variety of applications to perfectly suit the space.
