Lorette Side Chair Set of 2

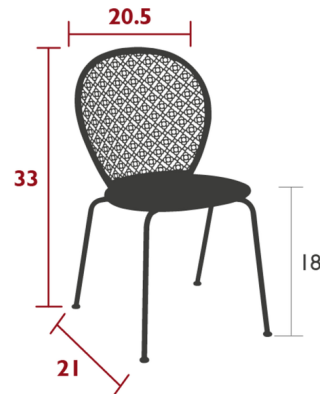

By Fermob

Description

The Lorette chair lends a special character and softness to outdoor spaces. With four slender, straight legs on flared feet to stand firmly on the ground; and rounded angles between the base and the seat, the modern piece is a nod to the furniture style of the 1950s. Its signature backrest, a carefully-crafted latticed pattern of flowers and rhombuses, adds a touch of femininity as found in the French countryside. The chairs are also practical, they are durable, stackable and easy to handle. Steel sheet seat, Perforated laser-cut steel sheet backrest, Steel tube base, Stacking : x 4 (Height - stacked : 37 in.)
