H.H.H. Graphic Impression Dining Armchair

By Kartell

Description

The H.H.H. Dining Armchair will elevate any interior with its elegant modern silhouette. Short for Her Highest Highness, H.H.H. offers a throne-like look for a regal expression. The frame is made of technopolymer derived from recycled thermoplastic, making H.H.H. both lightweight and sustainable. The variety of geometric and floral patterns are created by a special new process known as Graphic Impression, developed by Kartell.
