Parc Table / Wall Lamp

By Lambert & Fils Studio

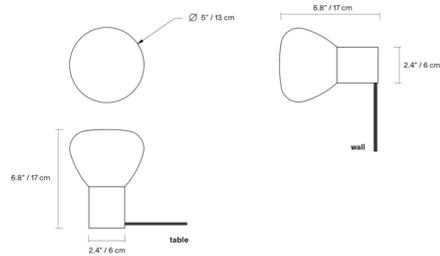

Description

The Parc Table / Wall Lamp was inspired by the shape of a flashlight, recalling childhood memories of time spent playing outside in nature. Parc's use of simple, geometric forms creates a playful aesthetic that will complement a wide variety of decor styles. The lamp can stand upright and used as a table lamp or attached to the wall and used as a plug-in wall sconce. Available with On/off hand switch or footswitch.
