Parc Single Pendant

By Lambert & Fils Studio

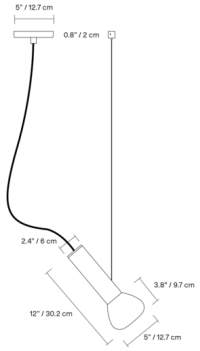

Description

The Parc Single Pendant was inspired by the shape of a flashlight, recalling childhood memories of time spent playing outside in nature. Parc's use of simple, geometric forms creates a playful aesthetic that will complement a wide variety of decor styles. The pendant is available with a cord only (to hang straight down) or with a cord, suspension cable, and ceiling anchor (to hang the pendant at an angle). Recommended dimmers listed below. Other ELV (electronic low voltage) dimmers with reverse phase or trailing edge control may be compatible.
