Super Sliding Sideboard

By Seletti

Description

The Super Sliding Sidebard pays homage to the radical style of 1960s and 70s Italian design with bold patterns and vibrant colors. The rectangular cabinet is elevated by a trio of rectangular legs for a geometric look with a strong presence. The sliding doors on the front of the sideboard are finished with a terrazzo pattern while the back, sides, and legs are solid colors for an eye-catching look that will be the visual centerpiece of any space.
