## Super Sliding Sideboard

By Seletti

### Description

The Super Sliding Sideboard pays homage to the radical style of 1960s and 70s Italian design with bold patterns and vibrant colors. The rectangular cabinet is elevated by a trio of rectangular legs for a geometric look with a strong presence. The sliding doors on the front of the sideboard are finished with a terrazzo pattern while the back, sides, and legs are solid colors for an eye-catching look that will be the visual centerpiece of any space.
