Super Cabinet

By Seletti

Description

The Super Cabinet pays homage to the radical style of 1960s and 70s Italian design with bold patterns and vibrant colors. The rectangular cabinet is supported by a wide rectangular foot for a geometric look with a strong presence. The sdoors on the front of the sideboard are finished with a red and white grid pattern while the back, sides, and legs are solid colors for an eye-catching look that will be the visual centerpiece of any space.
