Path Color-Select Horizontal Step Light /Motion Sensor

By Maxim Lighting

Description

The Path Color-Select Step Light with Motion Sensor is suitable for interior or exterior application. Designed for convenient installation, the Path light fits into a single gang box with no need for a transformer. The center opening creates a soft, horizontal beam spread. Color selectable LED options include 3000K, 4000K, and 6500K. A motion sensor turns the light on and off for energy efficiency.
