Helm Ceiling Fan with Light

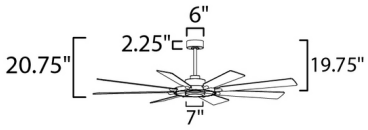

By Maxim Lighting

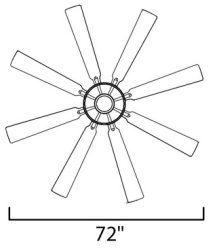

Description

Inspired by nautical steering, the Helm Ceiling Fan with Light fuses modern functionality with classic style. Its plywood blades offer dual-sided contrasting finishes, allowing for customizable design. Choose from a Natural Aged Brass frame with black and white blades, or a Satin Nickel frame with white and blackened walnut blades. The energy-efficient DC motor is operated with the included remote control, which magnetically attaches to a standard wall plate. The integrated LED has three adjustable color temperatures of 2700K, 3000K, and 4000K, offering versatile lighting options for any space.

Shown in aged brass / black
