Surface Mount Wrap Wall / Ceiling Light By Bulbrite

Description

The modern low profile integrated LED wraparound light is a perfect fit for a wide range of commercial or residential applications. These indoor rated wrap lights are ideal for garages, laundry rooms, closet spaces, mudrooms or other areas of the home where utility lights are needed. Available in 3000K color temperature or field selectable color-select which allows user to select between 2700K, 3000K, 3500K, 4000K or 5000K. 120-277V with Universal dimming. Note: Emergency Battery Backup option supplies up to 90 minutes of emergency power when power is disrupted. 2 foot LED wrap light replaces a traditional 32W fluorescent linear T8 lamp; 4 foot LED wrap light replaces 2x traditional 32W fluorescent linear T8 lamps
