Istanbul Semi Flush / Pendant

By Arteriors Home

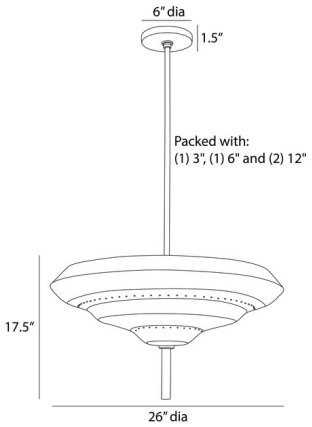

DAMP

Description

The Istanbul Semi Flush / Pendant is inspired by ceremonial artistry, this striking fixture echoes the elegance of a burnished Istanbul plate, reimagined in form and texture. A central column of smoke-luster glass rises through the design, creating a captivating contrast against the hand-shaped iron structure. Finished in antique brass and intricately pierced, the metalwork allows warm light to filter through, casting delicate patterns and enhancing the piece's exotic allure.
