Inlet Swing-arm Wall Sconce

By Arteriors Home

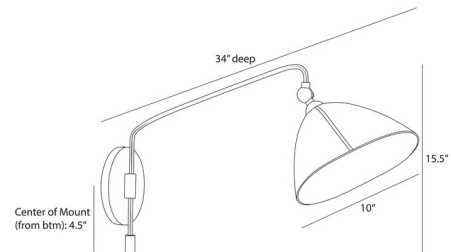

Description

The Inlet Swing-arm Wall Sconce serves as a striking focal point in your interior environment. Faux shagreen leather is meticulously crafted and sewn to create the shades of the Inlet. Adorned with a shagreen stingray pattern, the ivory dome hangs from a curved arm that can swing left to right. A leather cap is positioned at the center of the base, enhancing this vibrant design.

Shown in english bronze / ivory leather
