Jermaine Cocktail Cabinet

By Arteriors Home

Description

The Jermaine Cocktail Cabinet is perfect for all your storage needs. This alluring cabinet is inlaid with an antiqued amber mirror front to appear darker along the edges and lighter at the center. The elevated case of smoke oak wood features a U-shaped cutout at the legs to add an airy finish. Double spear pulls of bronze iron appear to pierce the surface, while a matching iron bar at the back pulls the silhouette together. Double soft-close doors open to reveal an LED-lit clear glass prep surface and mirrored interior to showcase your chic glassware collection.
