Varena Semi Flush Ceiling Light By Corbett Lighting

Description

Mesmerizing Piastra glass tubes are layered in tiers to create the grand vision of the Varena Semi Flush Ceiling Light. A soft, organic reimagining of an Art Deco silhouette, this flush mount comes in several sizes to create focal points in different-sized spaces. The sculpted waves in the specialty glass evoke an ethereal sense of movement while allowing for a more dynamic light diffusion.

Shown in vintage gold leaf / piastra
