Salisbury Wall Light By Corbett Lighting

Description

The Salisbury Wall Light elevates a simple composition with luxurious stone. Two Emperor marble pieces frame a central onyx shade, creating an earthy, gem-like stack. A thin stem finished in Vintage Brass supports the fixture like a gallery rod. Providing a soft diffusion of light, Salisbury is an artful focal point. NOTE: Due to the one-of-a-kind nature of the medium, exact colors and patterns may vary slightly from the image shown.
